

## Independent Auditors' Report on the Summary Consolidated Financial Statements

To the Shareholder of Republic Bank (EC) Limited

### Opinion

The summary consolidated financial statements, which comprise the consolidated statement of financial position as at September 30, 2022, and the consolidated statements of comprehensive income, changes in equity and cash flows for the year then ended, and related summary notes, are derived from the audited consolidated financial statements of Republic Bank (EC) Limited and its subsidiaries ("the Group") for the year ended September 30, 2022.

In our opinion, the accompanying summary consolidated financial statements are consistent, in all material respects, with the audited consolidated financial statements, on the basis described in Note 1.

### Summary Consolidated Financial Statements

The summary consolidated financial statements do not contain all the disclosures required by International Financial Reporting Standards ("IFRSs"). Reading the summary consolidated financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited consolidated financial statements and the auditor's report thereon.

### The Audited Consolidated Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited consolidated financial statements in our report dated November 25, 2022.

### Other Matter

The consolidated financial statements of Republic Bank (EC) Limited for the year ended September 30, 2021 were audited by another auditor who expressed a qualified opinion on those consolidated financial statements on April 4, 2022. The qualified opinion resulted from two matters as described below:

- (a) Expected credit losses (ECL) on the Stage 1 and Stage 2 loans

The Group acquired Scotiabank's banking operations on November 1, 2019. At this date, deferred tax on ECLs for Stage 1 and Stage 2 loans were not computed and accounted for as part of the acquisition accounting.

- (b) Core deposits - Intangible asset

Deferred tax on the core deposits' intangible was not recognized in the consolidated financial statements for the years ended September 30, 2020 and 2021 respectively.

Management has recorded the adjustment for these errors in the consolidated financial statements for the year ended September 30, 2022 and restated the comparative consolidated financial statements, such that the prior years and consequent prior year audit report qualification is now remediated.

As part of our audit of the 2022 consolidated financial statements, we also audited the adjustments that were applied to amend the 2021 and 2020 consolidated financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review or apply any procedures to the 2021 and 2020 consolidated financial statements of the Group, other than with respect to the adjustments and, accordingly, we do not express an opinion or any form of assurance on the 2021 and 2020 consolidated financial statements taken as a whole.

### Responsibilities of Management for the Summary Consolidated Financial Statements

Management is responsible for the preparation of the summary consolidated financial statements on the basis described in Note 1.

### Auditor's Responsibilities for the Audit of the Summary Consolidated Financial Statements

Our responsibility is to express an opinion on whether the summary consolidated financial statements are consistent, in all material respects, with the audited consolidated financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (ISA) 810 (Revised), Engagements to Report on Summary Financial Statements.
